Confirming Your Coverage

If you are not sure of the effective date of your coverage, please call Delta Dental at 800-236-3712 before you have any dental work done.

Also, before scheduling appointments for extensive dental care, you may ask your provider to send the treatment plan to Delta Dental. The plan will be reviewed by Delta Dental and you and your provider will receive a **Predetermination of Benefits** form. You and your provider may then discuss the treatment and your out-of-pocket costs. Delta Dental encourages you to be informed about your dental care.
